

# RESPONDING WITH SELF COMPASSION

## RED:

Stop and feel your feelings. This is a hard moment - how do you feel?

## ORANGE:

You are not alone. Who else has felt this way or been in this situation?

## GREEN:

Kind words and actions. Utilise soothing touch - what words do you need to hear right now?

## SOOTHING TOUCH:

- Place one or both hands on your chest
- Massage the back of your neck
- Stroke your cheek or arms
- Give yourself a gentle hug

## KIND WORDS:

- It's OK, I am doing the best I can.
- I accept myself as I am.
